DETAILED ACTION

The reply filed on June 18, 2002 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The 35 U.S.C. 112, second paragraph rejection stated in the action mailed on March 12, 2002 was not properly addressed. The problems with the claims are still present in the clean copy of the claims. It is noted that in the marked-up version the Applicants intended to eliminate the term "prevent". This term was not eliminated in the clean copy. The Applicants underlined the term "operative" as being the new addition to the claim, but the new addition according to the clean copy and compared with the original claim is "operative to". It is also noted that the applicants underlined the term "holes" as replacing the term "projections", however, this term was already there in the original claim.

It is not clear exactly which changes are being made to the claims. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
